

Philips Incisive Premium

This Mobile CT Rental Solution from AGITO provides an operator work environment that is both flexible and easy to use, helping you to confidently achieve improved clinical outcomes, and enhance patient & staff experience.

The Philips Incisive Premium performs for you by allowing for intelligent decisions at every step. It provides applications that allow clinicians to improve workflow, and planning, as well as post processing analysis and review, at the same time ensuring extremely low patient dose. Included are all the required accessories, all housed inside a high-quality Mobile, that can be easily transported to your site.
